RECEPTION BROCHURE

RECEPTION UNITS

Reception Furniture is used in so many businesses from professional practices to beauty salons. The Reception or Entrance to your business is the first impression that your client has of the standard they can expect from your organisation.

The friendly approach of your staff, the welcoming smile of your receptionist or counter staff will create a sense of wellbeing in your clients mind relaxing them and setting the right atmosphere to conduct business that is of benefit to you both.

Reception Furniture is not restricted to stylish Tub Seating or Smart Coffee Tables the Reception Counter needs to be functional and effective to allow the operators to conduct their administrative tasks effectively.

Reception Units or Reception Desks are a vital component of Reception Furniture in all commercial premises from, Doctors Surgeries , Dentists, Solicitors, Lawyers, Accountants , Engineering Companies , Consultants , Hairdressers, Beauty Salons, Supermarkets ,Hotels, Bed and Breakfast houses, Travel lodges, Holiday Parks , as well as large corporations where the standard of finish is most important.

Reception Counters are available in a variety of finishes including, wood effect melamines, fine wood veneers, aluminium, glass, chrome or plastic. A Reception Counter can be designed to fit exactly with a bespoke craftsman made Reception Piece
